Assistant Commissioner For Patents

AMENDMENT

Dear Sir:

This Amendment is in response to the Office Action mailed November 6, 2001. The detailed rejection of the November 6, 2001 Office Action lists claims 1-3 as Claim Group I and claims 5-23 as Claim Group II. Claims 1-4 and 5-23 are currently pending. Therefore Applicants assume the listing of claims 1-3 as Claim Group I is a typographical error and should be claims 1-4. Applicants elect Claim Group I, which includes claims 1-4 without traverse.

Please charge any shortages and credit any overcharges to our Deposit Account number 02-2666.

Respectfully submitted,  
BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN, LLP
